May 2025

## Seasonal Highlights

As we move into May, lawns are greening up and growing fast! Here's a quick update on what's happening around your property this month.

## Coming up

### 💧 Irrigation Startups Wrapping Up

We're almost finished with irrigation system startups—thank you to everyone who's already scheduled. If yours is still pending, we'll have all remaining systems up and running within the next week.

## Service Spotlight: Fertilization

### 🌱 Fertilizer Applications Starting This Week

This treatment helps promote lush growth and builds up turf strength ahead of summer stress.

## Friendly Reminder for Lawn Maintenance

Weekly mowing is underway and maintenance schedules are now set. To help our crews do their best work, please:

- Pick up pet waste before your scheduled service day
- Remove toys, hoses, and other objects from
